Rosen Shingle Creek Hotel

## Rosen Shingle Creek Hotel

Rosen Shingle Creek in Orlando is situated on 230 acres of lush landscape and is Central Florida's most luxurious meeting destination. The history of Shingle Creek reveals the captivating tale of how its majestic cypress trees provided some much needed shelter for early settlers and their homes.

Best of all for us, the CLA workshops, ITIs, exhibit hall and general sessions are located together in a beautiful wing of this 1,500 room hotel, and we'll have great opportunities to network with ministry leaders from across America in this peaceful, gorgeous Orlando setting.

And Rosen Shingle Creek is also only a short distance away from great attractions your whole family will enjoy! You'll find everything from Universal Orlando® Resort, SeaWorld® Adventure Park, Walt Disney World® to a variety of other Orlando attractions nearby. And there's a great golf course right on site for the golfers in the crowd.
